

## SUMMER 2015 PROGRAMS Summer Artists in Residence

We are happy to present Camp Herrlich's first ever Artists in Residence! For four weeks of Summer 2015, we will have two amazing arts teachers with us. Here is more about them.

*Stephanie Schleicher*

Camp Herrlich's Journalism and Design program will be joined by the H. G. Fairfield Arts Center for the Environment's Media Workshop. Stephanie Schleicher, our artist-in-residence, is a freelance videographer/editor with twenty years of experience teaching young people how to harness their creative power through film. She has taught filmmaking, animation, and editing for H. G. Fairfield Arts' Young Filmmakers Atelier at George Fischer Middle School, Katonah Art Center, Pelham Picture House, Jacob Burns Media Arts Lab, French Woods Festival of the Performing Arts, Pelham Art Center, and Croton Academy of Arts. Locally, she is proud to be the Media Coordinator for H. G. Fairfield Media Workshop in Brewster and also sits on the board for the Village of Brewster Film Festival. Ms. Schleicher has established dynamic, exciting, curriculum-based video programs as an artist-in-residence for organizations and camps throughout New York State. Stephanie has also conducted numerous elementary, middle, and high school residencies, exploring everything from silent movies about immigration to documentaries about the presidential election. Working as a freelance videographer/editor, Stephanie Schleicher continues to produce and direct her own films, which have appeared in festivals internationally.

Stephanie will be working with our Sleepaway Campers during Session 1 of Sleepaway Camp, July 5-17, and with our Day Campers during Week 9 of Day Camp, August 24-28. Our campers will write, shoot, and edit their own films. We look forward to sharing them with you!

We are proud to introduce another Artist in Residence for Summer 2015! Nikki Sanders Siriani comes to us from Seven Star School of Performing Arts (sevenstarschool.com) and will be working with our Day and Sleepaway Campers. Nikki will be doing a week of Musical Theater Dance August 3-7 and a week of Hip Hop August 10-14. We are thrilled to have her as part of our summer team.

Nikki is a professional performance artist and has been a proud member of Actors' Equity since 2004. A graduate of the University of Connecticut, she has worked professionally as an actress, dancer, vocalist, choreographer, vocal coach, and director throughout the tri-state region and has been developing children's theatre in Westchester County for many years. She found her love of theatre at age 8 while playing Annie and choreographed her first musical at 14 years of age, which quickly multiplied into over 25 full scale productions to date.

Her numerous credits include productions with Connecticut Repertory Theatre, Surflight Theatre, Seven Angels Theatre, and the Warner Theatre. Her favorite and most challenging role is mom to her 4 1/2 year old twins.

#### A Message from Our Executive Director

Hi Folks,

Well, what a year it was. 2014 had many wonderful, passionate, and simply amazing people who were a part of the Camp Herrlich family. We developed new donors, volunteers, staff, campers, students, and well-wishers. In Camp Herrlich's usual way, we helped staff become leaders and good role models, we worked hard to make sure our donors and volunteers were proud to support Camp Herrlich, and most importantly we served many new and returning children and families in a caring, safe, friendly, and loving camp environment.

We are truly grateful for the many people who believed in us over the years and will continue to work hard to make a positive difference in this world, as they say... one child at a time.

Peace,  
Bob Gentile, Executive Director
